As well as a Registered Clinical Counsellor (RCC), I am a Registered Art Therapist (ATR and BCATR), a Registered Play Therapist Supervisor (RPT-S) and a Certified Play Therapist Supervisor (CPT-S and BCPT-S). I have 48 years of experience as a counsellor and psychotherapist. I have been offering consultation, especially for those using expressive therapies in their work, since 1981. I am the creator of Holistic Expressive Play Therapy and have been teaching my approach internationally for over 35 years. My areas of specialties include: attachment issues, abuse and traumas of all types, loss, transference and counter-transference, self-care issues, and mentoring for those interested in using Holistic Expressive Therapy with all age groups. Being a registered and certified supervisor with the various associations for Play Therapy, supervision/consultation time can also count towards the number of supervised hours necessary to obtain registration or certification as a Play Therapist.
