It would be my pleasure to be your supervisor/consultant! My area of expertise is working with children and parents and I do also work with adults. I am comfortable supervising clinicians working with all age groups. I use an Interpersonal Neurobiology lens when working with clients and clinicians. I am also a registered play therapy supervisor and also have certificates in EMDR and Brainspotting. As adjunct faculty at Adler, I teach and also supervise pre-practicum and practicum students.

Area of Supervision:

- Clinical Supervision
- Clinical Consultation
- Group Supervision
- Peer Supervision
- Peer Consultation

Type of Services

- Telephone
- Online/Remote
