I am available for clinical supervision, mentoring and consultation. I have supervised practicum students and interns for several years as well as provided clinical supervision to practicing therapists in the public service and private practice.

In clinical supervision we can review cases, reflect on your practice, your personal experience as a therapist, and learn new skills and approaches.

Area of Supervision:

- Clinical Supervision
- Clinical Consultation
- Peer Supervision
- Peer Consultation

Type of Services

- Telephone
- Online/Remote
- In-Person
