I own and operate a clinic of approx 8 clinicians and occasional student interns in Nanaimo. Prior to founding the Therapy Place Counselling Group LTD in Nanaimo, I worked as the director of a number of clinical programs on the Sunshine Coast.

While I have worked extensively with children in the past, my focus in my work as both a clinician and a supervisor is now focused on work with adults.

I am married and have 2 children. Areas of particular interest and clinical expertise include trauma and couple's work. I am trained in EMDR.
