Dr. Alireza Sedghi Taromi is a distinguished educator, clinician, supervisor, and researcher in psychology and counseling. He holds a Ph.D. in Psychology, two Master's degrees (Clinical and General Psychology), and a BA in Psychology, alongside doctorate-level training in Counselling Psychology in the U.S. As an adjunct faculty member in BC, he teaches psychology and counseling courses.

A senior Registered Clinical Counsellor and Approved Clinical Supervisor with the BC Association of Clinical Counsellors, Dr. Taromi mentors practicum students and counselors, shaping future clinicians.

He integrates Cognitive-Behavioral, Psychodynamic, Humanistic, and solution-focused methods in therapy to support diverse clients. His supervision approach fosters autonomy and growth in a supportive environment.

He provides counseling and supervision in English, Farsi (Persian), and Dari. Dedicated to improving lives, Dr. Alireza helps individuals, couples, and families build happier, healthier, and more fulfilling lives through his multifaceted expertise.
