Grace Voo is a trauma-informed counsellor specializing in school and family counselling. With over 20 years of experience, she has worked extensively with children (ages 4-18), adults, and parents, addressing a wide range of personal, school, and family issues.

Grace offers clinical consultation, clinical supervision, group supervision, peer supervision, and peer consultation. She is passionate about helping individuals become attuned to their inner lives and provides support for identity, relational, and attachment issues, mood struggles, burnout, and life transitions. Grace's expertise extends to crisis management, educational consulting, and community support
