Rebecca has been a Clinical/Peer Supervisor and Consultant for the past few years. She has provided clinical supervision (individual and group) to Masters of Counselling and Masters of Education in Counselling students at CityU and is Associate Faculty with CityU. Rebecca has offered Clinical/Peer Consultation in the areas of chronic disease, chronic pain, and working with new/acute medical conditions. Rebecca is also available for consultation in other clinical areas. As an RCC and supervisor, Rebecca utilizes her training in mindfulness based interventions (trained teacher through CMS) and in AEDP. Rebecca completes her own clinical and peer consultation on a regular basis.
