

Karyna Capote RCC-ACS

Phone Number:

778-891-3307

Business City:

New Westminster

Website:

www.caretoconnect.ca

I have been in counselling practice for 12 years. I have medical background, extensive experience with mandated clients, workplace rehabilitation, crisis management, and trauma work. I also specialize in high conflict relationships and write Hear The Child reports for courts.

I believe in setting clear goals and helping my students grow by introducing interesting challenges and experiments while supporting their successes. I am committed to professional excellence and I practice it by engaging in regular education, supervision and my own therapy work.

Area of Supervision:

- Clinical Supervision
- Clinical Consultation
- Group Supervision
- Peer Supervision
- Peer Consultation

Type of Services

- Telephone
- Online/Remote
- In-Person
