I am a Clinical Supervisor with 15 years of experience in mental health and 11 years of direct clinical supervision experience.

My background includes supervising Child and Youth Mental Health teams as a team leader, as well as providing ongoing supervision to private practice clinicians since 2021. I am certified in the Neurosequential Model of Supervision and trained in Somatic Experiencing, with Advanced Level 3 completion expected by the end of this year.

My supervision approach emphasizes nervous system awareness, reflection, and supportive exploration, helping counsellors provide compassionate, effective, and client-centred care.
